**Tuition and Fees
Additional Information**

The Board of Directors approves the annual budget for the school. The school is dependent on the payment of these fees and other donations to support its operational budget.

Payment Methods

1. Total annual tuition discount if paid in full by August 1 = 5% discount
2. Semi-annual payments are due August 1 and January 1.
3. Monthly payments are made through our ACH program and are automatically deducted from your checking account on the 5th or 20th of each month. If a child attends any portion of a month, the parent owes for the entire month. If a learning center family chooses the 20th of the month for the ACH payment and withdraws before that date but has had the child in the learning center during that month, the entire payment will still be due on the 20th. **All KidZone.NET withdrawals will be made on the 5th of each month.**
4. Checks or ACH withdrawals that are returned to the school due to insufficient funds will require payment with a cashier's check, cash, or debit card and a \$25 charge for the NSF. The parent will be required to pay with a cashier's check, cash, or debit card if NSF checks are a repeated problem.

Fees

Our fees are nonrefundable and are due with the application.
