

Young Adult Values

1. **Everyone has a Seat at the Table (Extend our Reach):** We actively welcome individuals that are not connected to ensure that we do not become a group of insiders. We want to be like Jesus in Mark 2:15, who opens a seat to anyone and everyone to be at the table.
2. **We Cultivate a Place for Honor (Grow Together):** Giving honor places value on people and gives them the freedom to become their best through God. Honor is cultivated in us when we communicate, listen, encourage, and appreciate others.
3. **We are Called to Exceed (Serve Others):** In everything we put our hands to work, we are striving for excellence. We exceed when we show up on time being prepared and ready to go! God is ready to bless us when we show up with an attitude of greatness.
4. **We have one Purpose (Love God):** Our purpose in all that we do is to bring glory to God and expand His Kingdom. In all that we do, He receives the glory.
