

Thank You

Ben Simms

Verse

This salvation is so dear to me
Pulled me from the miry clay
Now there's a song within my heart
A song to bring you praise

Pre-Chorus

It's a song of thankfulness
It's a song that I must sing

Chorus

Thank you for your kindness
Thank you for your mercy
Thank you for the blood shed for me
Thank you for your goodness
Thank you for your salvation
