

# At The Table

Ashley Dowdy

## Verse 1

At the table with my Savior  
is where He washes over me  
At the table with my Savior  
is where He speaks promises to me

## Chorus

His body the bread  
His blood the wine pouring over me  
His body was bruised  
My chains are loosed  
In the presence of my Lord

## Verse 2

At the table with my Savior  
is where He speaks blessings over me  
At the table with my friend, Jesus,  
is where I find victory
